This logbook must be completed by the **Appointed Mentor** to you as the Learner. Ensure to make an appointment with your Mentor before submitting your POE for assessment.

## INSTRUCTION TO MENTOR:

As an appointed Mentor to the learner, you play an important role in the development of a learner and should ensure that you check understanding of the relevant demonstratable outcomes. Carefully read what the learner needs to demonstrate, asks questions around the topic and guide the learner on what evidence would be relevant to include in the portfolio, this evidence can include actual workplace tasks that are being performed and or where performed. Furthermore, ensure to give the learner positive, constructive feedback on workplace tasks related to the outcomes as set out below.

i.e if a learner was part of and or experienced a conflict situation, make comments on the how the learner handled the situation, what they could've done better etc. in the evidence cell and if necessary, at the comment section below.

If the outcome requires the learner to be part of a meeting, give the learner opportunity to do so, and give the feedback on what they did correctly and what they could do to improve.

The table also indicates activities that the learner needed to complete during the process in the Portfolio of evidence and after the process, check the activity and provide guidance and or praise where applicable.

The table also indicates activities that the learner needed to complete during the process in the Portfolio of evidence and after the process, check the activity and provide guidance and or praise where applicable.

**Use the grading provided to give feedback to the learner on how they performed on the activities below:**
